

Fraudulent web site and employment scam

Fraudulent web site

It has come to our attention that some unknown person or persons have created a replica and false web site with the following domain <http://www.aluminialimited.com> It is a fraudulent copy of Alumina Limited's website www.aluminalimited.com.

The fraudulent web site <http://www.aluminialimited.com> is being used for abuse purposes and is targeting unsuspecting persons in an attempt to obtain personal details.

Employment scam

The fraudulent web site is being used in conjunction with false claims of employment opportunities.

The intent is to lure people with false job applications issued from email address: aluminialimited@naver.com **WARNING**, this is a scam designed to obtain personal details.

DO NOT complete the associated 'Interview questions' and **DO NOT** respond to the email or send any information to admin@aluminialimited.com

Alumina Limited is not seeking applications for job vacancies.
