The Remuneration Report includes an explanation of the Company's remuneration policy and the remuneration arrangements in place for Directors and other key management personnel.

ITEM 4: GRANT OF PERFORMANCE RIGHTS TO CHIEF EXECUTIVE OFFICER (LONG TERM INCENTIVE)

Item 4 relates to the proposed participation of the Chief Executive Officer, Mr John Bevan, in the Company's Employee Share Plan (ESP) for the 2013 financial year, as part of his remuneration by the Company.

(A) BACKGROUND

As part of Mr Bevan's remuneration package, the Company has, subject to obtaining the necessary shareholder approval, invited Mr Bevan to participate in the ESP, pursuant to which Performance Rights may be issued to him. Performance Rights are conditional rights to acquire ordinary shares in the Company. Under the Company's Remuneration Policy, all executive employees are required to receive a portion of their overall remuneration in the form of variable or "at risk" remuneration. In addition to a short-term incentive component, this portion of "at risk" remuneration consists of a long-term incentive component, or "LTI", which is delivered pursuant to the ESP. The Board considers that the proposed issue of Performance Rights for 2013 to Mr Bevan is an important component of his overall remuneration package. His participation is designed to provide him with an incentive to strive for high performance personally and at a Company level, and to align his remuneration over an extended period with the financial interests of shareholders.

The Performance Rights to be issued to Mr Bevan for 2013 will be on the same terms as those applicable to all other participants in the ESP.

While the ASX Listing Rules do not require the Company to obtain the approval of shareholders for the participation of Mr Bevan in the ESP, the Board considers that it is appropriate from a governance perspective for such participation to be subject to approval.

(B) DATE THE PERFORMANCE RIGHTS WILL BE PROVIDED

If approved by shareholders, the Performance Rights will be issued to Mr Bevan as soon as practicable after the meeting.

(C) MAXIMUM NUMBER OF PERFORMANCE RIGHTS TO BE PROVIDED

In the case of the Chief Executive Officer, the Company's Remuneration Policy requires that the LTI component of annual remuneration be equivalent in value to a maximum of 50 per cent of his fixed remuneration (comprising salary and superannuation contributions).

The number of Performance Rights to be issued to Mr Bevan (being 668,500) has been determined by dividing \$594,950 (being 50 per cent of the amount of Mr Bevan's fixed remuneration for 2013) by the volume weighted average sale price of ordinary shares in the Company on the ASX in the twenty trading days up to and including the date the Board determined to offer the Performance Rights to Mr Bevan (subject to shareholder approval being obtained).

(D) ESP PERFORMANCE CONDITION

The number of those Performance Rights in the award to be made to Mr Bevan (subject to shareholder approval being obtained) that will vest will be determined in accordance with the vesting conditions applicable to the award, as outlined below.

The Performance Rights to be issued to Mr Bevan may vest at the expiry of a 3 year period in December 2015, with a potential vesting during a further 12 month period in which two retests are undertaken (the *Vesting Period*), subject to the satisfaction of the performance hurdles described below. Any Performance Rights that have not vested at the end of the Vesting Period will expire. Following each test date (as described below), the Company will issue a vesting notice to Mr Bevan notifying him of the percentage of his Performance Rights that have vested (if any).

The performance hurdle that will apply in respect of the grant of the Performance Rights to Mr Bevan is relative Total Shareholder Return (TSR).

Two comparator group tests are applied to determine the number of Performance Rights that may vest under the ESP, with each accounting for 50 per cent of the maximum possible vesting of Performance Rights under the ESP (i.e. the Performance Rights are divided into two equal tranches with performance testing applied by reference to different comparator groups). The performance tests compare the Company's TSR performance with the TSR performance of each of the entities in the comparator group applicable to a tranche of Performance Rights over the performance period of three years and a further 12 month period.

The methodology used for each comparator group is identical. The performance tests are defined as follows.

The comparator groups are firstly, the group of companies comprising the S&P/ASX 100 Index, excluding the top 20 companies by market capitalisation, and secondly, a group of 8 companies operating in the alumina and/or aluminium industries that are listed on stock exchanges inside and outside Australia (as applicable).

Under the performance tests, the TSR for each entity in the comparator groups and for the Company is calculated and the entities (or securities, as appropriate) in each comparator group are then ranked by TSR performance. The number of Performance Rights that vest in the tranche relating to a particular comparator group is then determined according to the scale below.

Alumina Limited TSR compared to median of relevant comparator group	Vesting of Tranche
If the Company's TSR is less than the TSR of the company at the 50 th percentile of the comparator group, ranked by TSR performance	0 per cent
If the Company's TSR is equal to the TSR of the company at the 50 th percentile of the comparator group, ranked by TSR performance*	50 per cent
If the Company's TSR is equal to or greater than the TSR of the company at the 75 th percentile of the comparator group, ranked by TSR performance*	100 per cent

* If the Company's TSR performance is between that of the entities (or securities, as appropriate) at the median (i.e. the 50th percentile) and the 75th percentile of the relevant comparator group ranked by TSR performance, the number of Performance Rights in a tranche that vest will increase by 2 per cent for each 1 per cent by which the Company's percentile ranking is higher than the 50th percentile.

(E) TESTING PERIOD FOR TSR

If less than 100 per cent of the Performance Rights in a tranche vest when tested at the expiry of the initial three year period, a further 2 tests are conducted (as required) at two 6 monthly intervals after the initial test.

The number of Performance Rights of the retested portion that vest will be determined according to the Company's relative TSR performance over the period from the commencement of the performance period to the relevant six monthly retest date, according to the same scale used at the initial test.

Performance Rights that are unvested will generally lapse on cessation of employment, subject to the Board's discretion in certain circumstances as discussed further below.

(F) PRICE OF THE PERFORMANCE RIGHTS

No amount is payable on the grant of an award of Performance Rights under the ESP.

If the applicable vesting conditions are met, Mr Bevan will be entitled to receive one fully paid ordinary share in the Company in respect of each vested Performance Right (subject to rounding and adjustment in accordance with the ESP rules).

Where Performance Rights vest under the ESP, Mr Bevan's right to acquire a share in respect of each Performance Right will be satisfied by the Company procuring the transfer to him of existing shares acquired on-market.

(G) EXERCISE AND LAPSE OF PERFORMANCE RIGHTS

On the vesting of Performance Rights, Mr Bevan will acquire fully paid ordinary shares in the Company and will receive full voting and dividend rights corresponding to the rights of all other holders of ordinary shares in the Company.

Performance Rights that have not vested by the end of the Vesting Period will expire.

Termination of the employment of Mr Bevan does not have any impact on vested Performance Rights.

In the event of Mr Bevan's employment ceasing for any reason, unvested Performance Rights will lapse unless, in the case of death, total and permanent disablement, redundancy or retirement, the Board exercises a discretion that the Performance Rights will not lapse.

In the event of a change in control of the Company, the outstanding Performance Rights for which performance hurdles are met at that time will vest to Mr Bevan. A change of control will generally occur upon an entity acquiring unconditionally more than 50 per cent of the issued shares of the Company, or the Company being required under a takeover bid or scheme of arrangement to issue an aggregate number of shares greater than the number existing before that issue (i.e. a "reverse takeover" occurring).

(H) OTHER MATTERS

There are no loans to be granted by the Company to Mr Bevan in relation to the acquisition of the Performance Rights.

RECOMMENDATION

The Directors (other than Mr Bevan) unanimously recommend that shareholders vote in favour of the resolution proposed on item 4. Mr Bevan makes no recommendation.

ENTITLEMENT TO VOTE

In accordance with regulation 7.11.37 of the *Corporations Regulations 2001* (Cth), the Company has determined that, for the purposes of the meeting, all shares in the Company will be taken to be held by the persons who held them as registered shareholders at 7pm (Melbourne time) on 1 May 2013. All holders of ordinary shares in the Company at that time are entitled to vote at the meeting (subject to the restrictions on voting referred to below).

VOTING

Subject to the restrictions on voting referred to below, shareholders entitled to vote at the meeting can vote in any of the following ways:

- by attending the meeting and voting in person or, in the case of corporate shareholders, by corporate representative; or
- by appointing a proxy to attend and vote on their behalf, using the proxy form accompanying the hard copy of this Notice (as applicable) or by otherwise following the instructions in this Notice; or
- by appointing an attorney to attend and vote on their behalf.

VOTING IN PERSON OR BY

CORPORATE REPRESENTATIVE

Shareholders entitled to vote who plan to attend the meeting are asked to arrive at the venue 30 minutes prior to the time designated for the meeting, if possible, so that the Company may check their shareholding against the Company's share register and note attendees.

In order to vote in person at the meeting, a corporation which is a shareholder may appoint an individual to act as its representative. The appointment must comply with the requirements of section 250D of the Corporations Act, meaning that the Company will require a Certificate of Appointment of Corporate Representative executed in accordance with the Corporations Act. The Certificate must be lodged with the Company before the meeting or at the registration desk on the day of the meeting. The Certificate will be retained by the Company.

If a Certificate is completed by an individual or a corporation under Power of Attorney or other authority, the Power of Attorney or other authority under which the Certificate is signed, or a certified copy of that Power of Attorney or other authority, must accompany the completed Certificate unless the Power of Attorney or other authority has previously been noted by the Company Share Registry.

VOTING BY PROXY

A shareholder entitled to attend and vote at the meeting is entitled to appoint one or two proxies.

A proxy need not be a shareholder of the Company, and may be an individual or a corporation. If a corporation is appointed as a proxy, it must ensure that it appoints a corporate representative, in the same manner as outlined above in relation to appointments by shareholders, in order to exercise its powers as proxy at the meeting.

Where two proxies are appointed, neither proxy may vote in that capacity on a show of hands and each proxy should be appointed to represent a specified proportion or number of the shareholder's votes. If proportions or numbers are not specified, then each proxy may exercise half of the shareholder's votes.

A shareholder can direct their proxy to vote for or against, or to abstain from voting on, a resolution by marking the appropriate box opposite that item on the hard copy proxy form or selecting the appropriate option for that item online (as outlined below).

Shareholders are encouraged to direct their proxies how to vote on each resolution.

If a proxy is not directed how to vote on a resolution, the proxy may vote, or abstain from voting, as that person thinks fit (subject to the other provisions of these notes and the voting exclusions noted below).

Where a proxy holds two or more appointments which provide different directions how to vote on a resolution, the proxy must not vote in that capacity on a show of hands on that resolution. Accordingly, any direction to such a proxy on how to vote on that resolution will not be effective on a show of hands. Similarly, if a proxy is also a shareholder, then any direction to the proxy may not be effective on a show of hands. Any directions provided to a proxy will be effective if a poll is held, subject to the other provisions of these notes and the voting exclusions noted below.

A proxy need not vote in that capacity on a show of hands on any resolution nor (unless the proxy is the Chairman of the meeting and is directed how to vote) on a poll. However, if the proxy's appointment directs the proxy how to vote on a resolution, and the proxy decides to vote in that capacity on that resolution, the proxy must vote the way directed (subject to the other provisions of these notes and the voting exclusions noted below).

If a proxy appointment does not nominate the identity of the relevant shareholder's proxy, or if an appointed proxy does not attend the meeting, then the Chairman of the meeting will be taken to have been appointed as the proxy of the relevant shareholder in respect of the meeting. In addition, if a proxy attends the meeting and the proxy's appointment directs how to vote on a resolution, but the proxy does not vote on that resolution on a poll, then the Chairman of the meeting will be taken to have been appointed as the proxy of the relevant shareholder in respect of the poll on that resolution.

If the Chairman of the meeting is appointed, or taken to be appointed, as a proxy, but the appointment does not direct how to vote on a resolution, then the Chairman intends to exercise the relevant shareholder's votes in favour of the relevant resolution (subject to the other provisions of these notes and the voting exclusions noted below).

A shareholder wishing to appoint a proxy should either:

- use the hard copy form provided (as applicable); or
- submit their appointment online by visiting the website www.investorvote.com.au (certain intermediaries may also use other means as outlined below).

Where a shareholder is using a hard copy form, and wishes to appoint two proxies, a request should be made to the Company's Share Registry for an additional proxy form. Alternatively, proxy forms may be obtained by printing them off the Company's website at www.aluminalimited.com. Replacement proxy forms can also be requested from the Share Registry.

To use the online appointment facility, a shareholder will need their Shareholder Reference Number (SRN) or Holder Identification Number (HIN) and postcode. The shareholder will be taken to have signed a proxy form appointing their proxies if they lodge the appointment in accordance with the instructions on the website.

It should be noted that a proxy cannot be appointed electronically by a person appointed by a shareholder under a Power of Attorney or similar authority. Shareholders should read the instructions for the online proxy appointment facility carefully before lodging any proxy appointment using this facility.

In the case of certain intermediaries (such as custodians, nominees, non broker participants and some financial advisors) who participate in the Intermediary On-line service of the Company's Share Registry, proxy appointments can also be submitted online by visiting the website www.intermediaryonline.com and following the instructions provided.

To be effective, proxy forms must be received, by mail, by hand or by facsimile, at either the registered office of the Company, or by the Company's Share Registry using the return-addressed envelope (reply-paid for mailing in Australia) enclosed with the hard copy of this Notice or as follows:

Proxy forms are required to be signed by the appointor or that person's attorney and, if the appointor is a corporation, in accordance with the Corporations Act or by an authorised officer or attorney. Where two or more persons are registered as a shareholder, each person must sign the proxy form.

If a proxy form is completed by an individual or a corporation under Power of Attorney or other authority, the Power of Attorney or other authority under which the form is signed, or a certified copy of that Power of Attorney or other authority, must accompany the completed proxy form unless the Power of Attorney or other authority has previously been noted by the Share Registry.

VOTING BY ATTORNEY

A shareholder entitled to attend and vote at the meeting is entitled to appoint an attorney to attend and vote at the meeting on the shareholder's behalf.

An attorney need not be a shareholder of the Company.

The Power of Attorney appointing the attorney must be duly executed and specify the name of each of the shareholder, the Company and the attorney, and also specify the meetings at which the appointment may be used. The appointment may be a standing one.

To be effective, the Power of Attorney must also be received by the Company or the Share Registry in the same manner, and by the same time, as outlined above for proxy forms.

VOTING EXCLUSIONS

The Corporations Act and the ASX Listing Rules require that certain persons must not vote, and the Company must disregard any votes cast by or on behalf of certain persons, on two of the resolutions to be considered at the meeting. These voting exclusions are described below.

ITEM 2 ADOPTION OF REMUNERATION REPORT

Except to the extent otherwise permitted by law, the following persons may not vote, and the Company will disregard any votes cast by the following persons, on the resolution on item 2:

1. A member of the key management personnel for the Alumina consolidated group whose remuneration details are included in the Remuneration Report (and any closely related party of any such member, and any person voting on behalf of any such member or closely related party), unless the person does so as a proxy and:
 - the vote is not cast on behalf of a member of the key management personnel for the Alumina consolidated group whose remuneration details are included in the Remuneration Report (or a closely related party of any such member); and
 - either:
 - that person is appointed as a proxy by writing that specifies how the proxy is to vote on the resolution on item 2; or
 - that person is the Chairman of the meeting and the proxy appointment expressly authorises the Chairman to exercise the proxy even if that resolution is connected directly or indirectly with the remuneration of a member of the key management personnel for the Alumina consolidated group.
2. A member of the key management personnel for the Alumina consolidated group whose remuneration details are not included in the Remuneration Report (and any closely related party of any such member) that is appointed as a proxy where the proxy appointment does not specify the way the proxy is to vote on the resolution on item 2, unless:
 - the proxy is the Chairman of the meeting; and
 - the proxy appointment expressly authorises the Chairman to exercise the proxy even if that resolution is connected directly or indirectly with the remuneration of a member of the key management personnel for the Alumina consolidated group.

ITEM 4 GRANT OF PERFORMANCE RIGHTS TO CHIEF EXECUTIVE OFFICER (LONG TERM INCENTIVE)

The following persons may not vote, and the Company will disregard any votes cast by the following persons, on the resolution on item 4:

1. Any Director who is eligible to participate in any Alumina employee incentive scheme (and any of their respective associates). However, the Company need not disregard a vote if:
 - it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or
 - it is cast by the Chairman of the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.
2. A member of the key management personnel for the Alumina consolidated group (and any closely related party of any such member) that is appointed as a proxy where the proxy appointment does not specify the way the proxy is to vote on the resolution on item 4, unless:
 - the proxy is the Chairman of the meeting; and
 - the proxy appointment expressly authorises the Chairman to exercise the proxy even if that resolution is connected directly or indirectly with the remuneration of a member of the key management personnel for the Alumina consolidated group.

For the purposes of these voting exclusions:

- The key management personnel for the Alumina consolidated group are those persons having authority and responsibility for planning, directing and controlling the activities of the Alumina consolidated group, either directly or indirectly. It includes all Directors (executive and non-executive) and all members of the senior executive team reporting to the Chief Executive Officer. The key management personnel for the Alumina consolidated group during the year ended 31 December 2012 are listed in Note 29 to the Financial Statements for the year ended 31 December 2012 contained in the Company's 2012 Annual Report.
- A closely related party of a member of the key management personnel for the Alumina consolidated group means:
 - a spouse or child of the member; or
 - a child of the member's spouse; or
 - a dependant of the member or of the member's spouse; or

- anyone else who is one of the member's family and may be expected to influence the member, or be influenced by the member, in the member's dealings with the entity; or
- a company the member controls.

The Company will also apply these voting exclusions to persons appointed as attorney by a shareholder to attend and vote at the meeting under a power of attorney – on the basis that references to persons attending and voting as proxy are read as references to persons attending and voting as attorney and references to an instrument under which the proxy is appointed are read as references to the power of attorney under which the attorney is appointed.

SHAREHOLDERS' QUESTIONS TO THE AUDITOR

Shareholders may submit written questions to PricewaterhouseCoopers (**PwC**) to be answered at the meeting, provided the question is relevant to the content of PwC's audit report or the conduct of its audit of the Company's financial report for the year ended 31 December 2012.
