Explanatory Notes

ITEM 2: ADOPTION OF REMUNERATION REPORT

The *Corporations Act 2001* (Cth) (*Corporations Act*) requires listed companies to provide information regarding the remuneration of Directors and other key management personnel in a Remuneration Report, which forms part of the annual Directors’ Report. The Company’s Remuneration Report for the year ended 31 December 2018 is set out on pages 40 to 63 of the 2018 Annual Report and is also available on the Company’s website at www.aluminalimited.com.

The Remuneration Report includes an explanation of the Company’s remuneration policy and the remuneration arrangements in place for Directors and other key management personnel. As required by the *Corporations Act*, a non-binding resolution to adopt the Remuneration Report is to be put to shareholders at the meeting. The vote on this resolution is advisory only and does not bind the Directors or the Company.

Recommendation: The Directors unanimously recommend that shareholders vote in favour of the resolution to adopt the Remuneration Report.

ITEM 3: ELECTION OF DIRECTOR CHEN ZENG – NON-EXECUTIVE DIRECTOR

In accordance with the Company’s Constitution and the ASX Listing Rules, Mr Chen Zeng is required to retire at the meeting. In accordance with the Company’s Constitution, Mr Zeng is eligible for re-election and has offered himself for re-election at the meeting. The personal particulars of Mr Zeng are set out below.

Mr Zeng was appointed as a Director of the Company on 15 March 2013.

Mr Zeng is also currently the Vice Chairman and President of CITIC Pacific Limited, as well as the Chairman and Chief Executive Officer of CITIC Pacific Mining Management Pty Ltd.

These companies are all wholly-owned subsidiaries of CITIC Limited (listed on the Hong Kong Stock Exchange). CITIC Limited is in turn a majority-owned subsidiary of CITIC Group Corporation, a Chinese state-owned enterprise.

Other majority-owned subsidiaries of CITIC Group Corporation, including CITIC Resources Australia Pty Ltd and CITIC Australia Pty Ltd, in aggregate hold approximately 19.06% of the Company's issued shares. CITIC Resources Australia Pty Ltd and its subsidiaries also hold a 22.5% interest in the Portland Aluminium Smelter joint venture, amongst other investments.

Mr Zeng has previously served as a director on the Board of CITIC Group Corporation (2010 to 2011). He is also a former director of CITIC Limited. Before joining CITIC Pacific Mining, Mr Zeng has held various senior management positions within CITIC Group.

Mr Zeng was also previously a director of Macarthur Coal Limited (2007 to 2011) and Marathon Resources Limited (2006 to 2014), both were ASX listed companies.

Mr Zeng has over 30 years of experience in management and project development, and a proven record in leading cross-cultural professionals in the resources sector. He has been working in Australia since 1994 and has extensive experience in various industries including aluminium smelting, coal and iron ore mining.

Due to his current and previous roles with (or with entities associated with) a substantial shareholder in the Company, the Board does not consider Mr Zeng to be an independent director, and considers that Mr Zeng will remain as such if re-elected at the meeting.

Recommendation: The Directors (other than Mr Zeng) unanimously recommend that shareholders vote in favour of the resolution to re-elect Mr Zeng. Mr Zeng makes no recommendation.

ITEM 4: GRANT OF PERFORMANCE RIGHTS TO CHIEF EXECUTIVE OFFICER (LONG TERM INCENTIVE)

Item 4 relates to the proposed participation of the Chief Executive Officer and Managing Director, Mr Mike Ferraro, in the Company's Employee Share Plan (ESP) as part of his remuneration by the Company. The Company offered Mr Ferraro Performance Rights in January 2019 as part of the annual offer of Performance Rights to employees (subject to shareholder approval).

(A) BACKGROUND

As part of Mr Ferraro's remuneration package, the Company has, subject to obtaining the necessary shareholder approval, invited Mr Ferraro to participate in the ESP, pursuant to which Performance Rights may be issued to him. Performance Rights are conditional rights to acquire ordinary shares in the Company (subject to the discretion of the Board to cash settle the Performance Rights in certain circumstances, as outlined below).

Under the Company's Remuneration Policy, all executive employees are required to receive a portion of their

overall remuneration in the form of variable or "at risk" remuneration. This portion of "at risk" remuneration consists of a long-term incentive component, or "LTI", which is delivered pursuant to the ESP.

The Board considers that the proposed issue of Performance Rights for 2018 to Mr Ferraro is an important component of his overall remuneration package. His participation is designed to provide him with an incentive to strive for high performance personally and at a Company level, and to align his remuneration over an extended period with the financial interests of shareholders.

The Performance Rights to be issued to Mr Ferraro for 2019 will be on essentially the same terms as those applicable to all other participants in the ESP. Any shares accepted on vesting would be acquired on-market.

Under ASX Listing Rule 10.14, shareholder approval is required before a Director such as Mr Ferraro can participate in an employee share plan, unless certain exceptions apply. ASX Listing Rule 10.15B states that Listing Rule 10.14 does not apply to a grant of performance rights to Directors under an employee incentive scheme where the securities to be acquired on vesting of the rights are required by the terms of the scheme to be purchased on-market. This exception applies to Mr Ferraro's participation in the ESP.

While the exception in ASX Listing Rule 10.15B applies to the participation of Mr Ferraro in the ESP, the Board considers that it is appropriate from a governance perspective for such participation to be subject to shareholder approval.

(B) DATE THE PERFORMANCE RIGHTS WILL BE PROVIDED

If approved by shareholders, the issue of Performance Rights to Mr Ferraro will be effective as soon as practicable after the meeting.

(C) MAXIMUM NUMBER OF PERFORMANCE RIGHTS TO BE PROVIDED

Under Mr Ferraro's contract of employment with the Company the LTI component of his annual remuneration is equivalent in value to a maximum of \$484,031 for the 2019 Performance Rights issue. The number of Performance Rights to be issued to Mr Ferraro has been determined by dividing that value by the volume weighted average sale price of ordinary shares in the Company on the ASX in the twenty trading days up to and including the date the Board determined to offer the relevant Performance Rights to Mr Ferraro (subject to shareholder approval being obtained).

(D) ESP PERFORMANCE HURDLES

The number of those Performance Rights in the award to be made to Mr Ferraro (subject to shareholder approval being obtained) that will vest will be determined in accordance with the vesting conditions applicable to the award, as outlined below, subject to the Board exercising a discretion under the ESP to waive those conditions.

The Performance Rights to be issued to Mr Ferraro may vest at the expiry of a 3 year period in December 2021 (*the Vesting Period*), subject to the satisfaction (or waiver) of the performance hurdles described below.

Any Performance Rights that have not vested as at the end of the Vesting Period will lapse.

The performance hurdles that will apply in respect of the grant of the Performance Rights to Mr Ferraro are based on relative Total Shareholder Return (*TSR*).

Two comparator group tests are applied to determine the number of Performance Rights that may vest under the ESP, with each accounting for 50 per cent of the maximum possible vesting of Performance Rights under the ESP (i.e. the Performance Rights are divided into two equal tranches with performance testing applied by reference to different comparator groups). The performance hurdles compare the Company's *TSR* performance with the *TSR* performance of each of the entities in the comparator group applicable to a tranche of Performance Rights over the Vesting Period.

The methodology used for each comparator group is similar. The performance hurdles are defined as follows.

The comparator groups are firstly, the group of entities (or securities) comprising the S&P/ASX 100 Index, excluding property trusts, the top 20 companies by market capitalisation and the Company, and secondly, a group of 9 international companies (for the 2019 Performance Rights issue) operating in the alumina and/or aluminium industries that are listed on stock exchanges in Australia or overseas, excluding the Company (as applicable). Entities or securities in the comparator groups may be changed over the Vesting Period if the Board considers it appropriate, for example if an entity (or security) is de-listed, taken over or restructured to the extent it is no longer a relevant comparator.

Under the performance tests, the *TSR* for each entity (or security) in the comparator groups and for the Company is calculated and the entities (or securities) in each comparator group are then ranked by *TSR* performance. The number of Performance Rights that vest in the tranche relating to a particular comparator group is then determined according to the following scale.

ALUMINA LIMITED *TSR* COMPARED TO MEDIAN OF RELEVANT COMPARATOR GROUP

VESTING OF RELEVANT TRANCHE

If the Company's <i>TSR</i> is less than the <i>TSR</i> of the entity/security at the 50th percentile of the comparator group, ranked by <i>TSR</i> performance	0 per cent
If the Company's <i>TSR</i> is equal to the <i>TSR</i> of the entity/security at the 50th percentile of the comparator group, ranked by <i>TSR</i> performance*	50 per cent
If the Company's <i>TSR</i> is equal to or greater than the <i>TSR</i> of the entity/security at the 75th percentile of the comparator group, ranked by <i>TSR</i> performance*	100 per cent

* If the Company's *TSR* performance is between that of the entities (or securities) at the median (i.e. the 50th percentile) and the 75th percentile of the first comparator group ranked by *TSR* performance, the number of Performance Rights in the relevant tranche that vest will increase from 50 per cent by 2 percentage points for each percentage point by which the Company's percentile ranking is higher than the 50th percentile. If the Company's *TSR* performance is equal to that of any entity (or security) between the 50th percentile and the 75th percentile of the second comparator group ranked by *TSR* performance, the number of Performance Rights in the relevant tranche that vest will be equal to the vesting percentage assigned by the Board to that entity (or security). If the Company's *TSR* performance is between that of any two such entities (or securities) in the second comparator group, the number of Performance Rights in the relevant tranche that vest will be determined on a pro-rata basis relative to the vesting percentages assigned by the Board to those entities (or securities).

(E) VESTING AND EXERCISE OF PERFORMANCE RIGHTS

If the applicable vesting conditions are met (or waived), Mr Ferraro will be entitled to exercise each relevant Performance Right at any time during the applicable exercise period (*Exercise Period*). The *Exercise Period* will generally end seven years after vesting of the relevant Performance Rights. However, the *Exercise Period* may be shortened in certain circumstances, as outlined below.

Upon exercise, Mr Ferraro will be entitled to receive one fully paid ordinary share in the Company in respect of each vested Performance Right (subject to rounding and adjustment in accordance with the ESP rule (such as in the case of a bonus issue of shares conducted by the Company), and subject to the discretion of the Board to cash settle the Performance Rights in certain circumstances, as outlined below). Mr Ferraro's right to receive shares will be satisfied by the Company procuring the transfer to him of existing shares acquired on-market.

On the vesting and exercise of Performance Rights, Mr Ferraro will acquire fully paid ordinary shares in the Company and will receive full voting and dividend rights corresponding to the rights of all other holders of ordinary shares in the Company.

Performance Rights that do not vest as at the end of the Vesting Period will lapse. Performance Rights that vest but are not exercised (or deemed under the ESP rules to be exercised) before the end of the *Exercise Period* will also lapse.

(F) PRICE OF THE PERFORMANCE RIGHTS

No amount is payable on the grant of an award of Performance Rights under the ESP, or on the vesting or exercise of those Performance Rights.

(G) EVENTS AFFECTING PERFORMANCE RIGHTS

If Mr Ferraro's employment ceases for any reason, any vested Performance Rights still held by him at that time will continue in existence. However, in those circumstances, the Exercise Period in respect of the Performance Rights will be shortened, such that it ends no later than three months after his employment ceases (subject to the Board determining otherwise in its discretion).

In the case of unvested Performance Rights held at the time that Mr Ferraro's employment ceases, a pro-rata number of those Performance Rights will lapse, based on the proportion of the Vesting Period applicable to the relevant award that has not yet elapsed at the time of cessation, unless in its discretion the Board determines otherwise. The remaining unvested Performance Rights will continue to be held by Mr Ferraro, unless in its discretion the Board determines within two months after cessation of employment that some or all of those Performance Rights are forfeited, on the basis that Mr Ferraro has (or would have but for resignation or death) been dismissed for cause.

Any unvested Performance Rights that are not forfeited in this way will continue until they vest and are exercised, or until they lapse, under the ESP in the ordinary course, subject to the Board bringing forward the testing date for the performance conditions (i.e. conducting the TSR performance tests as if the Vesting Period ended at an earlier date determined by the Board) or waiving those conditions. If the Performance Rights vest, then the Exercise Period in respect of those Performance Rights will end three months after that occurs (subject to the Board determining otherwise in its discretion).

Where a change in control event occurs in relation to the Company, the performance conditions for unvested Performance Rights will be automatically waived and the Performance Rights will therefore vest, unless the Board determines otherwise. The Board may also shorten the Exercise Period for Performance Rights that vest or have already vested. A change in control event will generally occur upon an entity acquiring unconditionally more than 50 per cent of the issued shares of the Company, or the Company being required under a takeover bid or scheme of arrangement to issue an aggregate number of shares greater than the number existing before that issue (i.e. a "reverse takeover" occurring), or another event occurring that the Board determines is a change of control event for the purposes of the ESP.

Under the ESP rules, the Board also has a discretion to cash settle Performance Rights that vest or are exercised following Mr Ferraro ceasing employment, or following a change in control event occurring, rather than delivering shares to Mr Ferraro in respect of those Performance Rights.

If the Board exercises this discretion, the Company will pay Mr Ferraro a cash amount equal to the market value of the shares that would otherwise have been delivered to Mr Ferraro upon exercise of the relevant Performance Rights, less any relevant superannuation contributions and other taxes or levies. The market value will be based on the volume weighted average sale price of ordinary shares in the Company on the ASX in the five trading days up to and including the date of exercise (subject to any adjustments that the Board considers appropriate) or, if there is no trading in Company shares over the relevant period, the price determined by the Board.

If the Company conducts a rights issue, the Board may in its discretion determine to offer an additional number of Performance Rights to Mr Ferraro, or to otherwise adjust the number of Performance Rights held by Mr Ferraro at the time. Unless the Board determines otherwise, any such new or additional Performance Rights will be subject to the same terms and conditions as the original Performance Rights held by Mr Ferraro.

(H) OTHER MATTERS

The following additional information is provided concerning the Performance Rights and ESP:

- there are no loans to be granted by the Company to Mr Ferraro in relation to the acquisition of the Performance Rights;
- other than Mr Ferraro, no Director (or an associate of any Director) has received Performance Rights under the ESP;
- Mr Ferraro will be the only Director who is entitled to participate in the ESP and no associate of any Director is entitled to participate;
- if shareholder approval is obtained, details of any Performance Rights granted to Mr Ferraro will be provided in the Company's Annual Report for the year in which they are provided; and
- any additional Directors (or their associates) who become entitled to participate in the ESP after this resolution is approved and who are not named in this Notice will not participate until shareholder approval is obtained.

Recommendation: The Directors (other than Mr Ferraro) unanimously recommend that shareholders vote in favour of the resolution proposed on Item 4. Mr Ferraro makes no recommendation.

ENTITLEMENT TO VOTE

In accordance with regulation 7.11.37 of the *Corporations Regulations 2001* (Cth), the Company has determined that, for the purposes of the meeting, all shares in the Company will be taken to be held by the persons who held them as registered shareholders at 7:00pm (AEST) on 21 May 2019. All holders of ordinary shares in the Company at that time are entitled to vote at the meeting (subject to the restrictions on voting referred to below)

VOTING

Subject to the restrictions on voting referred to below, shareholders entitled to vote at the meeting can vote in any of the following ways:

- by attending the meeting and voting in person or, in the case of corporate shareholders, by corporate representative; or
- by appointing a proxy to attend and vote on their behalf, using the proxy form accompanying the hard copy of this Notice (as applicable) or by otherwise following the instructions in this Notice; or
- by appointing an attorney to attend and vote on their behalf.

VOTING IN PERSON OR BY CORPORATE REPRESENTATIVE

Shareholders entitled to vote who plan to attend the meeting are asked to arrive at the venue 30 minutes prior to the time designated for the meeting, if possible, so that the Company may check their shareholding against the Company's share register and note attendees.

In order to vote in person at the meeting, a corporation which is a shareholder may appoint an individual to act as its representative. The appointment must comply with the requirements of section 250D of the Corporations Act, meaning that the Company will require a Certificate of Appointment of Corporate Representative executed in accordance with the Corporations Act. The Certificate must be lodged with the Company before the meeting or at the registration desk on the day of the meeting. The Certificate will be retained by the Company.

If a Certificate is completed by an individual or a corporation under Power of Attorney or other authority, the Power of Attorney or other authority under which the Certificate is signed, or a certified copy of that Power of Attorney or other authority, must accompany the completed Certificate unless the Power of Attorney or other authority has previously been noted by the Company's Share Registry.

VOTING BY PROXY

A shareholder entitled to attend and vote at the meeting is entitled to appoint no more than two proxies.

A proxy need not be a shareholder of the Company, and may be an individual or a corporation. A corporation appointed as a proxy will need to appoint a corporate representative, in the same manner as outlined above in relation to appointments by shareholders, to exercise its powers as proxy at the meeting.

A shareholder entitled to cast more than one vote on a resolution may appoint two proxies, in which case neither proxy may vote in that capacity on a show of hands and each proxy should be appointed to represent a specified proportion or number of the shareholder's votes. If proportions or numbers are not specified, then each proxy may exercise half of the shareholder's votes.

Shareholders are encouraged to direct their proxies how to vote on each resolution. A shareholder can provide such a direction by marking the appropriate box opposite the relevant resolution on the hard copy proxy form or selecting the appropriate option for that resolution online (as outlined below). If a proxy is not directed on how to vote on a resolution, the proxy may vote, or abstain from voting, as that person thinks fit (subject to the other provisions of these notes and the voting exclusions noted below).

If a proxy appointment does direct the relevant proxy how to vote on a resolution, then (subject to the other provisions of these notes and the voting exclusions noted below):

- if the proxy is not required to vote on a show of hands, but if the proxy does so, the proxy must vote in that capacity as directed;
- if the proxy is the Chairman of the meeting, the proxy must vote in that capacity on a poll and must vote as directed;
- if the proxy is not the Chairman of the meeting, the proxy need not vote in that capacity on a poll but if the proxy does vote, the proxy must do so as directed; and
- if the proxy has two or more appointments that specify different ways to vote on the resolutions, the proxy must not vote on a show of hands.

If the proxy is a member, the above does not affect the way that that proxy votes in his/her capacity as a member.

The Chairman of the meeting will be taken to have been appointed as the proxy of the relevant shareholder in respect of that resolution if:

- a proxy appointment specifies the way the proxy must vote on a particular resolution;
- the appointed proxy is not the Chairman of the meeting;
- a poll is duly demanded at the meeting on a resolution; and either:
 - if there is a record of attendance, the appointed proxy's attendance is not recorded; or
 - the proxy does not vote on the resolution.

If the Chairman of the meeting is appointed, or taken to be appointed, as a proxy and the appointment does not direct how to vote on a resolution, then the Chairman intends to exercise the relevant shareholder's votes in favour of the resolution, subject to the other provisions of these notes and the voting exclusions noted below.

A shareholder wishing to appoint a proxy should either:

- use the hard copy form provided (as applicable); or
- submit their appointment online by visiting the website **www.investorvote.com.au** (certain intermediaries may also use other means as outlined below).

Where a shareholder is using a hard copy form, and wishes to appoint two proxies, a request should be made to the Company's Share Registry for an additional proxy form. Alternatively, proxy forms may be obtained by printing them off the Company's website at **www.aluminalimited.com**. Replacement proxy forms can also be requested from the Share Registry.

To use the online appointment facility, a shareholder will need their Shareholder Reference Number (SRN) or Holder Identification Number (HIN), and postcode. The shareholder will be taken to have signed a proxy form appointing their proxies if they lodge the appointment in accordance with the instructions on the website.

It should be noted that a proxy cannot be appointed electronically by a person appointed by a shareholder under a Power of Attorney or similar authority.

Shareholders should read the instructions for the online proxy appointment facility carefully before lodging any proxy appointment using this facility.

In the case of certain intermediaries (such as custodians, nominees, non broker participants and some financial advisors) who participate in the Intermediary Online service of the Company's Share Registry, proxy appointments can also be submitted online by visiting the website www.intermediaryonline.com and following the instructions provided.

To be effective, proxy forms must be received, by mail, by hand or by facsimile, at either the registered office of the Company, or by the Company's Share Registry using the return-addressed envelope (reply-paid for mailing in Australia) enclosed with the hard copy of this Notice or as follows:

Proxy forms are required to be signed by the appointor or that person's attorney and, if the appointor is a corporation, in accordance with the Corporations Act or by an authorised officer or attorney. Where two or more persons are registered as a shareholder, each person must sign the proxy form.

If a proxy form is completed by an individual or a corporation under Power of Attorney or other authority, the Power of Attorney or other authority under which the form is signed, or a certified copy of that Power of Attorney or other authority, must accompany the completed proxy form unless the Power of Attorney or other authority has previously been noted by the Share Registry.

VOTING BY ATTORNEY

A shareholder entitled to attend and vote at the meeting is entitled to appoint an attorney to attend and vote at the meeting on the shareholder's behalf.

An attorney need not be a shareholder of the Company.

The Power of Attorney appointing the attorney must be duly executed and specify the name of each of the shareholder, the Company and the attorney, and also specify the meetings at which the appointment may be used. The appointment may be a standing one.

To be effective, the Power of Attorney must also be received by the Company or the Share Registry in the same manner, and by the same time, as outlined above for proxy forms.

VOTING EXCLUSIONS

The Corporations Act and the ASX Listing Rules require that certain persons must not vote in particular ways, and the Company must disregard particular votes cast by or on behalf of certain persons, on two of the resolutions to be considered at the meeting. These voting exclusions are described below.

ITEM 2

ADOPTION OF REMUNERATION REPORT

Votes may not be cast, and the Company will disregard any votes cast, on the resolution on Item 2:

- by or on behalf of any member of the key management personnel for the Company's consolidated group (KMP) whose remuneration details are included in the Remuneration Report, or any of their closely related parties, regardless of the capacity in which the votes are cast; or
- by any person who is a KMP member as at the time the resolution is voted on at the meeting, or any of their closely related parties, as a proxy,

unless the votes are cast as a proxy on the resolution on Item 2 for a person who is entitled to vote on that resolution:

- in accordance with a direction in the proxy appointment on the resolution on Item 2; or
- by the Chairman of the meeting in accordance with an express authorisation in the proxy appointment to cast the votes as the Chairman sees fit even if the resolution is connected directly or indirectly with the remuneration of a KMP member.

A closely related party includes a spouse, dependant and certain other close family members of a KMP, as well as any companies controlled by a KMP.

The Chairman of the meeting intends to vote undirected proxies in favour of the resolution on Item 2.

ITEM 4 – GRANT OF PERFORMANCE RIGHTS TO CHIEF EXECUTIVE OFFICER (LONG TERM INCENTIVE)

Votes may not be cast, and the Company will disregard any votes cast, on the resolution on Item 4:

- in favour of the resolution on Item 4 by or on behalf of Mr Ferraro, or any of his associates, regardless of the capacity in which the votes are cast; or
- in favour of or against the resolution on Item 4 by any person who is a KMP member as at the time the resolution is voted on at the meeting, or any of their closely related parties, as a proxy,

unless the votes are cast as a proxy on the resolution on Item 4 for a person who is entitled to vote on the resolution:

- in accordance with a direction in the proxy appointment on the resolution on Item 4; or
- by the Chairman of the meeting in accordance with an express authorisation in the proxy appointment to cast the votes as the Chairman sees fit even if the resolution is connected directly or indirectly with the remuneration of a KMP member.

The Company will also apply these voting exclusions to persons appointed as attorney by a shareholder to attend and vote at the meeting under a power of attorney, as if they were appointed as a proxy.

SHAREHOLDERS' QUESTIONS TO THE AUDITOR

Shareholders may submit written questions to PricewaterhouseCoopers (PwC) to be answered at the meeting, provided the question is relevant to the content of PwC's audit report or the conduct of its audit of the Company's financial report for the year ended 31 December 2018.

Written questions must be received no later than 5:00pm (AEST) on Thursday, 16 May 2019. A list of qualifying questions will be made available to shareholders attending the meeting.

Any written questions to PwC should be sent to:

- Computershare Investor Services Pty Ltd at the address on the enclosed return-addressed envelope;
